

Sec. 873.582. Food service establishments; Food Allergy Notification

1. Scope and applicability. This section shall apply to all food service establishments as defined in Section 873.411(c) of the Westchester County Sanitary Code.
2. Food service establishments shall post on the printed menu (or, if no printed menus are used, on the menu board or sign setting forth the bill of fare) a food allergy notification. Subject to prior approval by the Department, food service establishments may use alternative means for such notification of patrons, provided such information is made available prior to the point of ordering and is at least as prominent as required in subsection 3 below.
3. The printed menu (or, if no printed menus are used, on the menu board or sign setting forth the bill of fare) shall post the food allergy notification, which shall be legible and shall be printed in a size and typeface at least as large as the name of the menu items.
4. All printed menus (or, if no printed menus are used, the menu boards or signs setting forth the bill of fare) shall contain the food allergy notification to patrons that states, "If you have a food allergy, please speak to the owner, manager, chef or your server."
