

TANK TESTER REGISTRATION APPLICATION

Article XXV of the Westchester County Sanitary Code requires that tank test companies and technicians performing tightness tests on regulated tanks be registered with the Westchester County Department of Health.

Company Information.

Company		Date
Address		WCDOH ID
City	State	Zip
Contact		Telephone
Email		
Test Method(s)		

Technician Information. List all technicians who will perform tank testing in Westchester County. Attach a copy of each technician's training certificate for the method(s) to be performed. The company must ensure that current training certificates are kept on file with the WCDOH. Test methods must be acceptable to the New York State Department of Environmental Conservation. Attach an additional sheet if necessary.
